WAR NEWS BIG FACTO

Wall Street Has Conflict on with Go many, Declares Peace, Then Starts Battling with Mexico.

New York, March 27.-Report was rent in high banking quarters late today that a large loan for the allies had been arranged for by Morgan & Co., Ameri-can railroad stocks to be used as solreport was denied, but it was refor heavy buying of stocks in

The recovery started with aggressive January. buying of Union Pacific by on house that has been a leader in substantial market moves ever since the war began. Wall Street had another war with Wall Street had another war with Germany today that lasted nearly half the session. Peace with Germany was then declared, and war was declared on Mexico. The bears were taxed heavily for the cost of both of these wars. In the morning reports were numerous

of the sinking of ships by Germany and the killing of Americans. The result was that all thoughts of peace in Eu-Chesebrough Manufacturing Co.

was that all thoughts of peace in Europe were abandoned and the professionals felt that it was the proper thing to do to become very nervous and sell stocks heavily.

The market declined from one to three points, and in some cases four points from Saturday's prices.

Stocks Begin to Rise.

Before the bears had an opportunity to cover denials were published of the death of many American citizens on torpedoed ships, and a report came from Mexico that Carranza soldiers had let Villa escape. Nobody took time to confirm this report, and stocks immediately began to rise. Then came the report of the big new loan.

New York, March 2.—Operations in cotton were unimportant, and changes in prices narrowed today. Sentiment appeared to be unsettled at times, with fears of unfavorable international developments, as the result of the latest disasters to vessels abroad. This was not reflected in any material presume of affertings, the undertone ruling steady. Low grades were said to be commanding higher premiums, while the better quality of the staple was from but allow. Last quotations showed a net gain of 2 to 7 points.
